I am an optimist. I am a go-getter, who is always learning something new whether it be coding, **site design**, motion graphics, audio engineering or even video editing. **I believe life is about learning and striving to be a better person, personally and professionally.**

I AM PASSIONATE ABOUT **GAMING, GRAPHIC DESIGN, FILM AND MUSIC.**

Jan 2010 - Feb 2014

Euro Lights & Electric Group Inc. - Graphic Designer - Social Media

Tarpon Springs, FL

Working directly with the President of the company, I **created all of the International Print Catalogs**, and created the company's first national **print Ad** appearing in Dwell Magazine. My role expanded to **web design projects**, mainly updating and adding products as well as **creating advertising banners** for the company's Luxury lighting ECommerce stores, Interior-Deluxe.com and Lighting55.com. I also created and maintained a social media presence for the company's brands.

August 2008 - Present

Freelancer

Tampa, FL

I worked with several Tampa Bay Artists and Musicians designing websites based on Word Press, and Various print works such as CD album artwork, posters, shirt designs, flyers and business cards.
